

West Dereham Play Equipment Survey!

Have your say about whether play equipment on St Andrew's Recreation Ground is a good idea, and if so, what you think should be there. If you are a child, please complete this yourself or with the help of an adult. Adults are also encouraged to complete this for themselves, and also on behalf of their child/children. One household can fill it out several times for each person individually - we want every person to have their own say. The more responses the better!

We can't promise to include everyone's ideas and suggestions, but we will try our hardest to accommodate them!
